Deadline for all applicants: June 15, 2017*

All applicants will be juried, regardless of previous participation. All vendors interested in participating must submit an application.

Wares must be handmade by the applicant, direct employer, related group or organization. Third party resale of manufactured goods is in conflict with our mission, with few exceptions.

Every effort will be made to honor requests for specific booth sites. However, no guarantees are made that the space requested will be available. Priority will be given to applications submitted on time. It is your responsibility to comply with this deadline. Your understanding and cooperation are appreciated

*An early bird jury will be held for applications received prior to March 31. Selected vendors will be notified of acceptance by April 30. Early application submission does NOT guarantee selection. Checks will be deposited at time of acceptance.
